GENERAL PRINCIPLES APPLICABLE TO ALL PLANS

1. All pre-petition arrears and cramdowns shall be paid to the trustee and disbursed to creditors through the plan.
2. If a pre-petition creditor files a secured, priority or specially classified claim after the bar date, the trustee will treat the claim as allowed, subjected to objection by the debtor. Claims filed after the bar date that are not properly served on the trustee will not be paid. The debtor is responsible for reviewing claims and filing objections, if appropriate.
3. In the event that any creditor in any class refuses any disbursement from the standing trustee, the standing trustee shall be authorized to disburse those funds to other creditors in the same class, or if all such similarly classified creditors have already been paid, to other creditors in the next level of priority, without seeking a modification of the plan.
4. If debtor is successful in obtaining a recovery in any personal injury or other litigation in which debtor is the plaintiff during the term of this plan, any recovery in excess of any applicable exemption will be paid to the trustee as a special plan payment, in addition to debtor's regular plan payments, for the benefit of the unsecured creditors.
5. If this plan is confirmed prior to the bar date for the filing of proofs of claim, and if any claims are filed after such confirmation date, but before the expiration of the applicable proof of claim deadline ("bar date"), debtor agrees, within (30) days after the bar date,
 - (a) to notify the standing trustee of any such post-conformation filed claims which would affect the adequate funding of the plan, and advise as to debtor's intentions with respect to such claims, in writing; and

(b) within ten (10) days of such notification, either file

(i) an objection to such claim(s), or

(ii) a motion to modify the confirmed plan to account for such post-confirmation filed claims.

If debtor files an objection to such claim(s), and such objection(s) is/are overruled, debtor will promptly file a motion to modify the plan to account for such claims(s).

If this plan is confirmed prior to the bar date, debtor also agrees that any documents or other requests previously made by the standing trustee shall be fulfilled on or before the bar date.

6. Debtor shall certify compliance with all requirements of 11 U.S.C. §1328 before the plan shall be deemed completed, and only upon such certification shall the debtor(s) be entitled to a Chapter 13 discharge, provided that debtor(s) is/are otherwise eligible, as indicated in the discharge section above.
